FURNITURE FITTINGS & COMPONENTS

ABOUT US

OUR MISSION

To be the UK's most trusted partner for quality furniture components.

WHO WE ARE

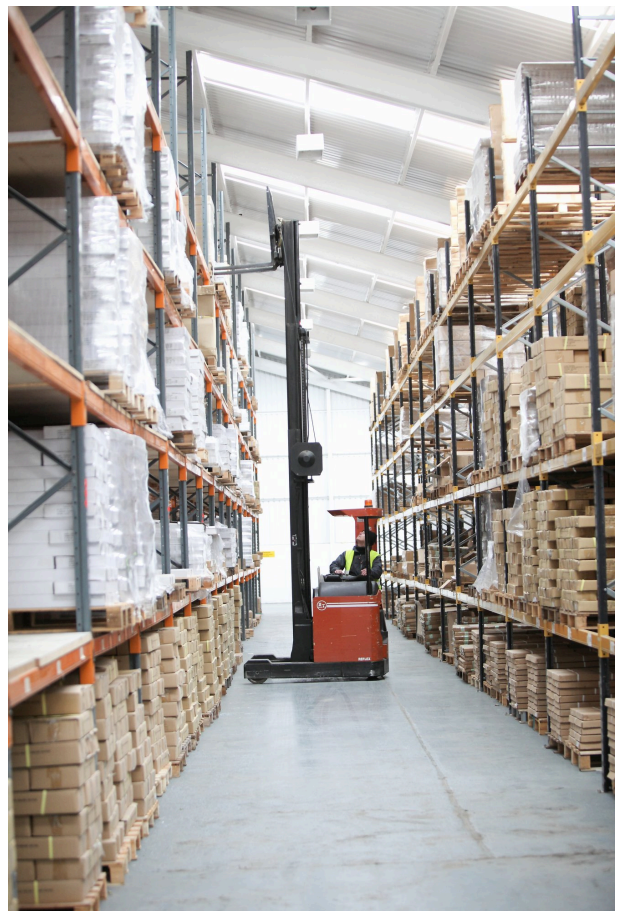

Since 2000, Eurofit Systems has helped UK furniture manufacturers build with confidence.

From our base in Beverley, East Yorkshire, we supply quality fittings and components to medium and large OEMs and distributors nationwide, backed by the expert support and dependable supply chain that we believe long-term partnerships are built on.

As direct importers, we control our supply chain from source to shelf, giving our customers sharper pricing, consistent quality and the stock availability their production schedules demand.

Our range covers the full breadth of furniture hardware, from hinges, runners and handles to fixings, fasteners and connectors.

Everything needed to build, assemble and finish, all from one trusted partner.

Zinc Alloy Knobs

Cabinet Knobs

Available Finishes

Antique Brass • Black • Brushed Nickel • Brushed Brass

This collection of premium cabinet knobs offers the perfect blend of modern durability and timeless style. Expertly crafted from high-quality zinc alloy (Zamak), these round and cylindrical knobs ensure long-lasting strength and resistance to daily wear.

To match your specific interior palette, the collection comes in four elegant finishes:

Antique Brass Effect for classic warmth, **Brushed Brass / Satin Brass** for contemporary luxury, **Brushed Nickel** for a subtle metallic sheen, **Matt Black** for a bold, minimalist statement

With texturing choices ranging from smooth traditional domes to modern tactile knurled surfaces, these versatile zinc alloy knobs provide a sophisticated hardware upgrade for any kitchen or bathroom layout.

Zamak Cup Handles

Cabinet Cup Handles

Available Finishes

Brushed Brass Effect • Brushed Nickel • Matt Black

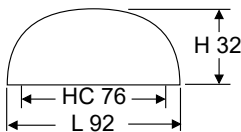

Cup handles, or bin pulls, blend classic charm with ergonomic function. Their semi-circular shape allows fingers to tuck underneath for a secure grip, making them ideal for heavy or wide drawers.

These versatile handles excel in traditional, farmhouse, and transitional designs. Most common on kitchen pot drawers, they also suit home office filing cabinets, media consoles, and mudroom benches.

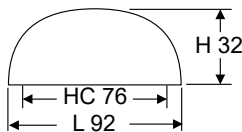

Finishes like brushed brass, nickel, or matt black should match existing room fixtures. For a cohesive look, use cup handles exclusively on lower drawers and pair them with matching knobs on upper cabinet doors to balance your space.

Brushed Brass Effect Cup Handle

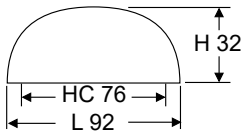

Code	Height	Length	Depth	Hole Centres	Box Qty
HA276BB3	32mm	92mm	28.5mm	76mm	500

Brushed Nickel Cup Handle

Code	Height	Length	Depth	Hole Centres	Box Qty
HA276BN3	32mm	92mm	28.5mm	76mm	500

Matt Black Cup Handle

Code	Height	Length	Depth	Hole Centres	Box Qty
HA276MB3	32mm	92mm	28.5mm	76mm	500

Zinc Alloy Bar Handles

Cabinet Slim Pull Handles

Available Finishes

Black • Brushed Nickel • Brushed Brass

The Sim Bar Pull range offers a sleek, ultra-modern solution for all types of furniture across residential, kitchen, and office environments. Featuring a unique geometric design with sharp, clean lines and a slim 7.5mm depth profile, these handles deliver a minimalist aesthetic that elevates contemporary cabinetry.

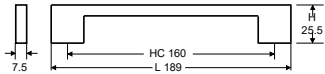

The collection is available in three high-demand finishes to complement any space: bold Matt Black, luxurious Brushed Brass, and timeless Brushed Nickel. Every variant features a uniform length of 189mm and 160mm hole centres, providing a consistent look throughout large-scale installations. Engineered for durability and high-traffic use, this versatile hardware line brings refined style and exceptional function to cabinets, wardrobes, and corporate office desks alike.

Matt Black 160mm cc Sim Bar Pull

Steel Bow Handles

Cabinet Bow Handles

Available Finishes

Matt Nickel • Matt Chrome • Graphite Grey • Brushed Nickel • Matt Black

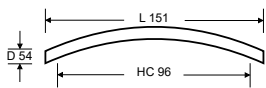

The Steel Bow Handles range delivers unmatched versatility, making it the ideal hardware solution for all types of furniture across residential, kitchen, and office environments. Crafted from heavy-duty steel, these durable handles effortlessly withstand the rigorous demands of high-traffic commercial spaces while maintaining an elegant aesthetic suitable for home interiors.

The smooth, arched silhouette provides an ergonomic grip that enhances wardrobe doors, kitchen cabinets, desk drawers, and storage units alike.

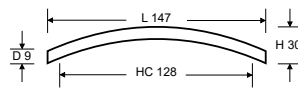

To complement any decor style, the collection offers five premium finishes: Matt Nickel, Matt Chrome, Graphite Grey, Brushed Nickel, and Matt Black. With adaptable sizing options from 96mm to 160mm hole centers, this comprehensive line brings a cohesive, contemporary, and reliable touch to any space.

Steel T-Bar Handles

Cabinet T-Bar Handles

Available Finishes

Matt Nickel • Brushed Nickel • Matt Black

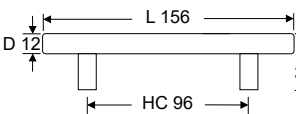

Crafted from premium steel, modern T-bar handles deliver exceptional strength and structural integrity to everyday cabinetry.

This robust construction ensures long-term resistance to heavy daily use, preventing bending or warping over time. The sleek, linear bar design offers an ergonomic grip, making it a highly functional choice for busy kitchens and high-traffic areas.

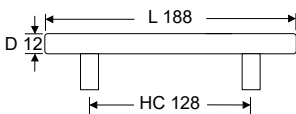

Available in diverse finishes like brushed steel, matt black, and satin gold, these handles effortlessly blend industrial durability with a clean, contemporary aesthetic. Steel T-bar hardware provides a reliable, heavy-duty, and stylish solution that instantly upgrades the longevity and look of any modern space.

Matt Nickel T Bar Handle

Aluminium T-Bar Handles

Cabinet Knurled T-Bar Handles

Available Finishes

Matte Black • Satin Brass • Antique Brass

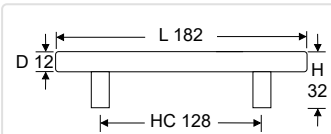

The Knurled T-Bar Range of cabinet hardware seamlessly merges industrial texture with modern elegance. Expertly crafted from lightweight yet exceptionally strong aluminium and resilient zinc alloy, these handles feature a distinct diamond-cut knurled surface.

This unique patterning provides a comfortable, ergonomic grip while serving as a captivating focal point in contemporary, transitional, or industrial interiors. Designed for a cohesive look, the collection also offers two different styles of matching knurled knobs.

The range is available in three sophisticated finishes to suit any palette: Matte Black for a bold, dramatic contrast; Satin Brass for a warm, luxurious glow; and Antique Brass for a vintage charm. It offers a stylish, high-impact upgrade for cabinetry projects.

Black Knurled 128mm cc T-Bar Handle

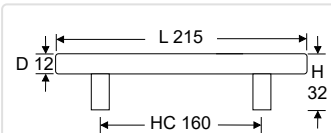

Code	Height	Length	Diameter	Hole Centres	Box Qty
HA10128TKMB	32mm	182mm	12mm	128mm	250

Miscellaneous Handles

Cabinet Pull Handles

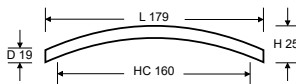

This miscellaneous cabinet handle collection offers diverse design profiles engineered for all furniture types across residential, kitchen, and office spaces.

The range balances curved ergonomics with sharp geometric lines, featuring arched bow pulls alongside minimalist D-handles. Finishes include high-shine Chrome, professional Matt Chrome, and contemporary Brushed Nickel to complement any corporate or home interior palette.

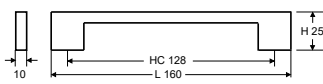

Built for heavy-duty daily use, these handles accommodate different cabinetry layouts with standard hole centers ranging from 128mm up to 192mm. Variations like the sleek "Overlay 4" and slender 8.5mm depths provide low-profile solutions for modern office desks or home storage.

Chrome Curved 160mm cc Pull
